

Hi, I am Coach Scott Gilbert. I have lived in the valley my whole life and have been a coach of various sports for the past 20 years. I am currently a special education math teacher here in the valley and have been teaching for the past 17 years. My football experience includes over 10 years as the head coach for both the public and private arenas as well as assistant coach positions. I have been married to my wife for over 23 years. We have three grown children and 1 grandchild. When I am not on the field, I enjoy spending time with my family and friends, playing softball and golf and small projects around the house. It is a pleasure to be on the Rancho Mirage Varsity Football Staff this season. I am looking forward to a successful season.
