Report is available on the school's website. Our goal is to reduce the number of focus areas.</li> <li>● We have seen increase in English, decrease in Math</li> <li>● See 9 focus areas on the school site. (ELD increases one level, ELL increases proficiency, Increase proficiency in Math, use of consistent data analysis to drive instruction, positive and uniform enforcement of school rules and policies, collaborate and analyze data of students' progress, increase student and parent voice, improve communication protocols).</li> <li>● First two chapters(out of 5) are written (by Mrs. Martinez O'Grady) and will be shared with SSC for feedback</li> <li>● Visit: February 26-28, 2024</li> </ul>
<p>6. 2023-2024 LCAP Input</p>	<p>Action Item: SSC Members and guests</p>	<p>Input for District LCAP</p> <ul style="list-style-type: none"> <li>● 3 main goals set by the district, Dr. Haga (and the district) asking for input from SSC: (1) academic achievement of students- need more bilingual paraprofessionals. varsity tutors suggested by Dre. Omier, add class options like additional art options, add ROTC (?). (2) parent involvement- Dr. Omier suggested making links available for parent resources like English classes, PTA (?), dring validation at the beginning of year, heavily promote parent meeting to get things started and target parents because</li> </ul>

		<p>this is one of the few days when many parents actually come to school and could be reached directly. Welcome back orientation</p> <p>. Feed parents when they come to meetings(? federal guidelines might not allow).</p> <p>We need to figure out what is keeping parents from coming...protocol used to be to meet with parents at the beginning of year.</p> <p>Maybe make attendance to parent meetings once a month or every other month a requirement for students to remain in programs like AVID, Culinary, RACE, etc to start bringing parents in.</p> <ul style="list-style-type: none"> <li>• (3) students safety/mental health- having physical rather than virtual (EduGuide) interactions with students. This will give a chance to get to know students and teachers better. Mrs. Sandoval brought ideas for a mental health unit to do with students.</li> </ul> <p>Increase the amount of mental health support personnel around the district. Overwhelmed system limits the amount of available services, following up with students, and more meaningful treatment. Most parents don't have resources to pay for mental health services for their students.</p> <p>Increase security personnel at school. This can increase the effectiveness of preventive actions rather than reactive actions.</p>
<p>7. ELAC a. ELAC Report</p>	<p>Informational: Julio Omier, Ed.D., ELAC Representative</p>	<ul style="list-style-type: none"> <li>• On behalf of ELAC, Dr. Omier spoke. DELAC met at the district. Followed up with parents and students to attend meetings. Not many are attending. Tonight's (3/1/23) meeting was moved to late March to follow up with SSC about the CAFE conference. Met with Mrs. Perez's classes and set up Google messages to parents to come to these meetings. That's why Dr. Omier suggested reaching out to parents during orientation.</li> </ul>
<p>8. School a. Student Report</p>	<p>Informational: TBD, Student Representative</p>	<ul style="list-style-type: none"> <li>• By Dominic Lopez- Shrek is coming! come support Performing Arts.</li> <li>• Vin Scully memorial game against La Quinta coming.</li> <li>• Dominic attended a meeting with the Security Council team, overseen by Dr. Omier (and was invited to the April</li> </ul>

		<p>meeting) to understand lock-up, lock-down, etc. Dominic thanked Dr. Omier for that opportunity and the time they took to explain these. Students could benefit from a town hall with students.</p> <ul style="list-style-type: none"> <li>• We have heard what happened in CVUSD. We need to be conscious and prepared for events like this at our school because it can happen here too.</li> <li>• Please announce SSC meetings in announcements on SSC meeting days so students interested can attend.</li> </ul>
